

Phonics - Thursday 4th March

Today we are learning... *ue*

There are two kinds of 'ue'!

1. Ue as in glue sounds like 'oo'
2. Ue as in queue sounds like 'yoo'

Say each sound over and over for a whole minute. Can you: whisper it, shout it, use a deep voice, use a squeaky mouse voice, use a robot voice and a witch voice?

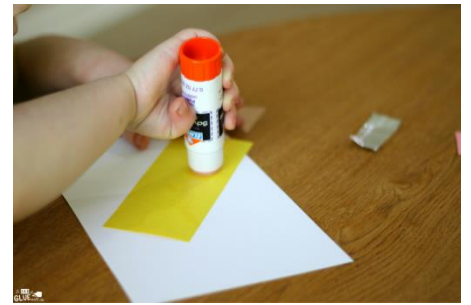

Activity 1: Write 'ue' as many times as you can in one minute. Don't forget to use your best cursive handwriting!

Activity 2: Circle the 'ue' in each word. What do you notice?

blue	statue	argue	venue
rescue	due	clue	untrue

Now draw the sound buttons under each word and use your robot arms to read them.

Activity 3: Write the 'ue' word for each picture...

Activity 4: Choose at least one of your words from activity 3 and use it in a sentence.

Challenge: Can you use all three words in the same sentence?
