

RE - Wednesday 3rd March

In RE we have learnt about special people and special places in our lives. There are also lots of special things in nature like animals and plants. We learnt about St Francis of Assisi a while ago and he was a special person in Christianity because he cared for all animals.

During the spring, we see lots of lovely things starting to grow in nature. There are lots of bright and beautiful plants which emerge and many baby animals are born.

In Christianity there are many songs which celebrate the special things in nature.

Activity 1: Read the words to this hymn below and see how many special things from nature you can spot. Circle each one.

All Things Beautiful

All things bright and beautiful,
All creatures great and small,
All things wise and wonderful—
The Lord God made them all.

Each little flower that opens,
Each little bird that sings—
He made their glowing colors,
He made their tiny wings.

The purple-headed mountain,
The river running by,
The morning and the sunset
That lighteth up the sky;

The tall trees in the greenwood,
The pleasant summer sun,
The ripe fruits in the garden—
He made them every one.

He gave us eyes to see them,
And lips, that we might tell
How great is God Almighty,
Who doeth all things well.*

JOHN KEBLE

Activity 2: Draw and colour in a picture of all the special things in nature that you are grateful for. This could include: flowers, trees, wild animals, pets, favourite outside spaces, gardens or anything else you can think of!
