*Imagine you are in a micro habitat. Think about all the different mini-beast that can see each other. Your poem is going to describe who they can see. I have decided to ask the Ladybird who she can see first. She could see a caterpillar so now I am going to ask the caterpillar who he can see. Then you can repeat with the next mini-beast. Use the template to help you write your poem.*

*Ladybird, ladybird, what do you see?  
I see a crazy, curly caterpillar crawling  
towards me.*

*Caterpillar, Caterpillar, what do you see?  
I see a \_\_\_\_\_ towards me.*
