Greater Depth Challenge - Do not forget to convert the decimal into a fraction and then convert that fraction to its lowest term.

## Cat Fun

Get ready for some funny riddles about our furry friends-cats!

1. After it got a shot, what did the kitty say to the veterinarian? To find the answer, write the decimal as a fraction (in lowest terms) spelled in words in the puzzle. The letters in the bold squares show the answer. The first one has been done for you.

2. 
3.
